Dear Parent,

As part of this year's music curriculum, your child will be learning to play the recorder. The recorder presents a wonderful opportunity to introduce music reading and appreciation. Please have your child return the order form to me by _____ , along with a check made payable to _____ for the materials you wish to order. Please call me if you have any thoughts or questions. I would enjoy hearing from you.

WORKSHOP INFORMATION

Macie Publishing Company provides engaging workshops, in-service sessions and professional development days for schools, school districts and at music conferences throughout the United States and Canada. Our staff of acclaimed clinicians presents practical, easy-to use information in a friendly, cooperative atmosphere.

Let us tailor a workshop to your school district's needs! We offer virtual learning solutions and can incorporate suggestions for compliance with state and national standards as well as student learning outcomes to aid in assessment. If desired, cross curricula workshops are also available.

In addition to our on-site sessions, we are happy to offer live virtual in-service options. All workshops are hands-on and complimentary materials are supplied. Teachers have fun and learn effective teaching techniques that they can immediately utilize with their students.

Current state music conference sessions are also listed on our website. Please contact Ed Sueta, Jr. or Julie Sueta toll free at 888-697-1333 or via email at **clinics@maciepublishing.com** for more information regarding session in-service options.
