PARENT LETTER

Dear Parent,

As part of this year's music curriculum, your child will be learning to play the recorder. The recorder presents a wonderful opportunity to introduce music reading and appreciation. I hope that by giving the students a positive, enjoyable learning experience they will be encouraged to develop an interest in music.

Macie Publishing Company, the publisher of the recorder materials we will be using, has made some special pricing available, which is listed below. Students will need a Recorder and either the online or printed version of the Student Method Book. Audio accompaniments are embedded in the online version or may be purchased in a CD format as part of a book, recorder, CD package.

Please have your child return the order form to me by _____, along with a check made payable to _____ for the materials you wish to order. Please call me if you have any thoughts or questions. I would enjoy hearing from you.
